In the Acknowledgements, the National Institute of Health COBRE Funding Grant Number was missing. The Grant Number is P20GM125503.

Acknowledgements We acknowledge funding support to Dr. Rebekah Samsonraj from MTF Biologics Foundation Junior Investigator Grant, Women's Giving Circle University of Arkansas, National Institute of Health COBRE funding (P20GM125503), National Science Foundation, University of Arkansas College of Engineering, and Arkansas Biosciences Institute. We thank the University of Arkansas Office of Undergraduate Research for supporting David Heinrichs' undergraduate research. We appreciate and acknowledge the Fulbright Program for supporting I Kade Ardana's Masters Research program. We also thank all members of the Samsonraj Laboratory for technical assistance.
