Correction: Genome-wide association mapping reveals genetic loci underlying phenotypic variation in early root vigour improvement induced by osmopriming in *Brassica napus* L

Kingsley Onyinye Ibeabuchi[1,2*], Maira Marins Dourado[3], Stefan Scholten[1,4] and Ulf Feuerstein[2]

Correction: BMC Plant Biol 25, 1460 (2025)
https://doi.org/10.1186/s12870-025-07540-4

Following publication of the original article, the author identified error in the equation on page 5 where the "+" sign between R_k and ϵ_{ijk} was inadvertently omitted.

The equation previously read:

$$Y\ ijk = \mu + Ti + Gj + (T \times G)\,ij + Rk\varepsilon ijk$$

The corrected equation reads:

$$Y\ ijk = \mu + Ti + Gj + (T \times G)\,ij + Rk + \varepsilon ijk$$

The original article [1] has been updated.

Published online: 15 October 2026
